

# CORNWALL GARDENS TRUST

HELPING TO PROTECT CORNWALL'S HISTORIC GARDENS AND PARKS

**Trevice, Gwennap, Redruth, TR16 6BA**  
**Telephone 01209 822725**

1st January 2019

Welcome to Cornwall Gardens Trust.

Thank you for your completed membership application form to join the Cornwall Gardens Trust as a *single/family* membership and your payment for £15 to cover annual subscriptions. Our aims are to encourage appropriate garden restoration and conservation, the creation of new gardens, and our encouragement of primary and secondary schools and young people to participate in the care and enjoyment of designed landscapes. Your kind support is most welcome.

I enclose a copy of our latest Journal and also a booking form for our visits this year. This year all gardens are in private ownership and several are very rarely open, so there are some great opportunities to see places you may not even have heard of, as well as some more well-known gardens.

Becoming a member enables you to show your support for our important work and offers opportunities to meet others through the events and social programmes. Cornwall Gardens Trust is a founder member of The Association of Gardens Trusts, which links over 6000 Gardens Trust members throughout the country.

You will find details about all the Trust's activities on site but, for any more general information, please contact our Secretary by email to [cgtsecretary@gmail.com](mailto:cgtsecretary@gmail.com).

Kind regards

Annabel Sewry

Membership Secretary
